ALLEGED VIOLATIONS

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number

Nature of Noncompliance

1.

The defendant shall participate in a program of drug testing and substance abuse treatment at the direction of the U.S. Probation Office.

Mr. Harris has failed to report for random drug tests on three separate occasions: December 18, 2012, February 6, 2013, and May 10, 2013.

After each failure to appear, Mr. Harris was immediately contacted by the probation officer. Each time, Mr. Harris reported that he forgot to call the drug testing line to find out if he was scheduled for a random drug test.

Compliance with Supervision Conditions and Prior Interventions:

Timothy E. Harris is employed and lives with his children in Mt. Juliet, Tennessee. Mr. Harris began his term of supervised release on October 5, 2012, and his supervision is due to terminate October 4, 2017.

Mr. Harris was given verbal reprimands after each missed drug test and re-instructed to not miss any future random drug tests. After the missed drug test on May 10, 2013, his drug tests were increased. Since the beginning of supervision, Mr. Harris has been drug tested on 19 different occasions, each time with a negative result.

Mr. Harris understands that failure to comply with drug testing is grounds for mandatory revocation and any further violation of this condition may result in a request for a hearing before the Court.

U.S. Probation Officer Recommendation:

The probation officer is recommending no additional action be taken by the Court at this time. Assistant U.S. Attorney Sunny A.M. Koshy has been advised of the offender's noncompliance and is in agreement with this recommendation.

Approved: 
Britton Shelton
Supervisory U.S. Probation Officer
